ABOUT THE DC WALK FOR JUSTICE 5K

The DC Bar Foundation invites you to partner with us for the second annual DC Walk for Justice 5K on October 23, 2025. **We aim to raise \$325,000 for DC's pressing civil legal needs.**

By supporting a network of legal aid providers, the Foundation helps more than 30,000 District residents each year secure the fundamentals of life – the roof over your head, family stability, personal safety, and financial sustainability.

By sponsoring this event, you will foster closer ties with the community, create a tangible and lasting social impact, and position your organization as a leader in promoting public safety and wellbeing for District residents. You will also make your employees proud to be connected to a justice-minded workplace.

In addition to fundraising, the Foundation has two main goals for the Walk:

- to increase community awareness of the significant civil legal aid needs in the District of Columbia,
- to expand the network of lawyers, judges, and community members committed to supporting legal aid, and

The DC Walk for Justice 5K is patterned after the [London Legal Walk](#), which raises more than \$1 million annually for civil legal aid needs in London. Other communities in the UK, Australia, and the United States host annual legal walks.

WHO IS THE DC BAR FOUNDATION?

MISSION AND VISION

Since 1977, the DC Bar Foundation's mission has been to fund, support, and improve the legal representation of financially disenfranchised or otherwise underserved persons in the District of Columbia.

As the leading funder of civil legal aid in the District, the Foundation is a catalyst for systems change. We foster collaborative, community-informed solutions that break down access to justice barriers for residents experiencing housing, financial, and personal insecurity. Our vision is that all residents of the District have equal access to justice.

PROGRAMS

The DC Bar Foundation makes grants, provides training, offers technical assistance, and fosters collaboration among dozens of legal aid organizations in Washington, DC. This network has provided legal aid to 130,000 District residents with low incomes in the past four years. Over half of our grants target housing insecurity (eviction & foreclosure defense to keep people in their homes). Since 1977, the Foundation has granted more than \$207 million to legal aid providers in DC. The Foundation also provides loan repayment assistance to qualified attorneys working for legal aid organizations.

IMPACT

By working with all stakeholders, the DC Bar Foundation is changing how District residents discover and experience life-changing legal assistance. Bar Foundations nationwide identify the DC Bar Foundation as the pacesetter in making systemic changes that transform access to legal services.

For example, the Foundation has led the effort to launch a coordinated intake and referral system known as DC Resource Bridge, which will allow clients to get legal help with a single phone call. This transformative effort will make it easy for all DC residents to get legal help quickly. DC residents must now navigate a maze of 50 organizations to determine which one can help them.

OUR REACH

Nearly 100 law firms and corporations—along with 400 attorneys and other individual donors—support the Foundation's work. The Foundation reaches thousands of stakeholders through our monthly newsletter and social media platforms, including LinkedIn, X, and Instagram.
