in our mission to expand**

ACCESS TO JUSTICE IN DC.

**The need for civil legal services in the District is urgent.
Your support brings it to those who need it most.**

The DC Bar Foundation envisions a future where everyone who needs legal help can get it. Your generosity can make our shared vision a reality.

In honor of the Foundation's 50th anniversary in 2027, we invite you to help launch the next era of access to justice for DC residents by making a one-time 50% increase in your support for one or more of our campaigns and events:

Call to Action

The DC Walk for Justice 5K

Avenues to Justice
